CIGNA Medicare
Access[®]

A Medicare Advantage Private Fee-For-Service Medical Plan
With or Without Prescription Drug Coverage

2009 CIGNA Medicare Access[®]

For 2009, CIGNA offers four Private Fee-For-Service Medicare Advantage plans in most areas: two MA-PD plans and two MA-only plans. While the benefit offering is consistent within a state, premiums may vary by county. For our valued producers, this translates into consistent benefits across each state for CIGNA's four Medicare Advantage plans. For our valued members, this translates into a broad range of medical and prescription drug solutions.
